4. More than a thousand motorized junks have been pulled up on the shore in the Chapoo (121-06, 30-37) and Pinghu (121-02, 30-42) areas. These have been covered and camouflaged and are being used as a camp by the soldiers who will use them for an invasion. Many of these junks were taken from Woosung (121-31, 31-23), from where the Communist Army has requisitioned about 200. These are to be used in the attack on Taishan (122-30-).
